Aloha Wailuku Elementary School 'Ohana,

As of Wednesday, March 9, 2022, wearing a mask in outdoor settings is optional at all Hawaii Department of Education schools and facilities. Individuals may continue to wear masks outdoors should they choose to do so.

The additional mitigation strategies such as 'Ohana bubbles/cohorting and physical distancing in the classroom and indoors are still in effect where students must be at least 3 feet apart and continue to wear their mask.

Students that use the bus for transportation to and from school must continue to wear their mask while they are on the bus.

As more information and guidance is provided to schools, we will continue to update our guidelines at Wailuku Elementary.

We appreciate all of your continued patience, support, and understanding as we continue to do our best to keep everyone safe.

Mahalo,
